IMPORTANT NOTE TO PHYSICIAN

Section 878-1.0 of the Administrative Code for the City of New York provides that the death of any person from criminal violence, by a casualty, by suicide, suddenly while in apparent health, when unattended by a physician, or in any suspicious or unusual manner, shall be reported forthwith to the Office of the Chief Medical Examiner. Only the Medical Examiner may issue a death certificate in such cases.

FAILURE TO REPORT TO THE MEDICAL EXAMINER IS A MISDEMEANOR.

TO FUNERAL DIRECTORS

Regulation 3, Section 46 of the Sanitary Code, provides that—"No permit to remove, ship, cremate or bury the remains . . . will be issued unless the funeral director applying for such permit shall sign his name . . . and shall certify in writing that he has been employed by the nearest surviving relative or next of kin."

Removal of bodies prohibited without permit. The regulations of the Board of Health prohibit the removal of the body of a human being, who died in the City of New York, unless a permit therefor has been obtained from the Department of Health, except when such removal is ordered in connection with an investigation conducted by the Office of the Chief Medical Examiner, a District Attorney or the Police Department.

Permission to remove dead bodies granted by telephone. In keeping with these regulations, the Department of Health will grant to Funeral Directors by telephone, permission for the removal of a body to a home or funeral chapel in the city, provided the application is made by a licensed Funeral Director who has the certificate of death in his possession at the time of telephoning. Such permission may be granted by the burial permit clerk in Manhattan, when the office in the borough in which the death occurred, is closed. Removal of a body before obtaining permission may be penalized by suspension of telephone removal privilege, by court action, or by revocation of business permit. If the above Physician's Supplementary Certificate of Death by Natural Causes has been completed, it is NOT necessary for the Funeral Director to obtain a separate supplementary certification—Form 113-H.

Commonwealth of Massachusetts.

WORCESTER, ss.

I, *Charles G. Pentz*, Register of the Court of Probate for the County of Worcester, do hereby certify, that satisfactory evidence has been exhibited to said Court, that *Mary Taft, widow of Ebenezer Taft*, was a Pensioner of the United States at the rate of *seventy-one Dollars and thirty-cents per annum, under the act of June 17, 1844.* was a resident of the County of *Worcester*, in the Commonwealth of Massachusetts, and died in *Blackston, in said County*, in the year one thousand eight hundred and *forty-eight* on the *fifteenth* day of *August*, that she left *six children only, surviving, whose names are Leonard Taft, Ellis Taft, Millen Taft, Sally Hayward, Sally Benson and Olive Staples.*

In testimony whereof, I have hereunto set my hand and affixed the seal of said Court at Worcester, this *fifteenth* day of *August*, in the year of our Lord, one thousand eight hundred and *forty-eight*.

Chas. G. Pentz, Register.

County of Berkshire of Massachusetts
County of Berkshire on this eleventh day
of September in the year eighteen hun-
dred and thirty eight, personally appeared
before the Station Judge of the Court of
Probate for said County of Berkshire, Melly
Taft a resident of Mendon in said
County aged seventy seven years, who
being first duly sworn according to
law doth on his oath make the fol-
lowing declaration in order to obtain
the benefit of the provision made by
the act of Congress passed July 7. 1838
entitled an act granting half pay
and pension to certain widows.

That she is the widow of Ebenezer Taft
late of said Mendon deceased, who
was a private soldier in the Army of the
Revolution and a pensioner of the United
States under the laws of 1832. They both belonged
to said town of Mendon when he went
into the service, and that has always

been their place of residence. She says
that her said husband was in the service
but the amount of his own property state
shown is very long - For the evidence of this
she must refer to the rolls in the war depart-
ment, and to the papers filed in her
husband's case, there will be found the
only documentary evidence of his service
the price of

She further declares that she was mar-
ried to the said Ebenezer Taft at said Mar-
den by Edward Mason Esquire a justice of
the Peace, on the last Sunday in May in the
year seventeen hundred and seventy nine.
Deacons John Hermon and the widow Hollings
the witnesses are present at her marriage,
and she thinks some others, but there are none
of them living. She understands that her
marriage is not recorded. That she thinks
that the evidence of it is ample, and drew
from the records of her publication, the
records of the births of a large family
of children, and the testimony of her
neighbors whose depositions accompany this

In due testimony. The further declares that
 he has borne the genuine Ebenezer Taft
 since at some Monday on the third day
 of October in the year eighteen hundred
 and thirty six, and therefore as his
 widow she draws the balance of the pension
 due to him; and that she has never been
 married since his death, but is now
 his widow. That she has not married
 to her prejudice to his being the service
 but the marriage took place previous
 to the first day of January in
 the year seventeen hundred and
 ninety four, to wit at the time above
 stated -
